

## PORTABLE OXYGEN CONCENTRATORS

**OXYGEN  
WITHOUT  
COMPROMISE**

**InovaLabs**   
Stay Active. Sleep Well.

**LIGHTWEIGHT  
& HANDSFREE**

**NO CARTS!  
NO TANKS!**

**LONG LASTING  
BATTERY LIFE**

**FAA  
APPROVED**

### ➤ **STAY ACTIVE**

LifeChoice Activox POCs are lightweight, reliable and ready to go — for life with no compromises. All models are tank-free, so there is no waiting to fill and no heavy carts to drag around. LifeChoice Activox POCs are the ideal portable oxygen therapy solution for active lifestyles.

### ➤ **BEST-IN-CLASS PORTABILITY**

LifeChoice Activox is available in three lightweight models that offer the longest-lasting internal battery available in a POC. Don't compromise with your oxygen therapy, experience the freedom of true mobility.

- Up to 12.5 hours of portability with the Pro Model.
- All models weigh less than 5 lbs.
- No carts or tanks required.
- Provides up to 4 LPMeq PULSE-WAVE®.
- FAA-approved.
- Optional 3-hour external battery available.

**NO TANKS  
NO CARTS  
NO DELIVERIES**

### ➤ **LONGEST BATTERY LIFE AVAILABLE**

The Pro Model offers up to 12.5 hours of internal battery life while the 4L Model offers 10.25 hours and the Sport Model up to 5.5 hours. All models can be used while charging at home or on the go with a DC charger.

### ➤ **LIGHTWEIGHT AND HANDS-FREE**

You can enjoy true freedom and mobility with all models. Convertible bag straps allow you to wear the system in multiple ways, giving you hands-free ability to complete more activities with comfort and ease. Plus, there are no heavy carts, tanks or refills to worry about.

### ➤ **PERFECT FOR TRAVEL**

LifeChoice Activox POCs are FAA-approved for domestic and international airline travel.

### ➤ **INNOVATIVE AUTO MODE & PULSE-WAVE TECHNOLOGY**

Every LifeChoice Activox POC features powerful Auto Mode and PULSE-WAVE technologies which work together to keep you saturated around the clock.

Auto Mode detects changes to your breath rate and automatically adjusts the delivery of oxygen, while PULSE-WAVE Technology delivers that oxygen to you in a manner that is congruent with your breath rate so that all of the oxygen dose is received. This type of delivery is gentle and helps minimize uncomfortable side effects associated with other forms of oxygen delivery such as dry nose and nose bleeds.

### ➤ **EVERYTHING YOU NEED IN ONE AFFORDABLE PACKAGE**

LifeChoice Activox POCs are reimbursed by Medicare and most private insurance plans. The Standard Package includes all the necessary elements for easy use and portability.

### ▶ THE BEST OF HOME AND PORTABLE OXYGEN IN ONE INTEGRATED SYSTEM

Meet Activox DUO2®, the first fully-integrated stationary and portable oxygen concentrator system. The system combines the benefits of a home-use unit and the best-in-class mobility of a LifeChoice Activox POC into one reliable system with no compromises.

### ▶ A 24-HOUR SOLUTION

With the Activox DUO2 system, you can be ready to go at a moment's notice. The stationary base charges the POC's batteries when connected and offers up to 5 LPM continuous flow capacity to support you during sleep. The POC component utilizes PULSE-WAVE Delivery and offers lightweight comfort with up to 12.5 hours of internal battery life.\*

\* Depending on LifeChoice Activox POC model.

## GRAB-AND-GO FLEXIBILITY

Activox DUO2 features a sleek design that takes up less space within your home while running quietly and efficiently. A retractable handle and large, soft rear wheels make it easy to transport the stationary base from room to room while handles on the side allow for easy lifting into a car. Convertible bag straps on the POC let you enjoy hands-free operation in multiple configurations — even as a backpack.

## EASY TO USE

Simple controls adjust flow and there are no complicated tanks to attach or fill.

## COST-EFFECTIVE

Activox DUO2 is Medicare-reimbursed and covered by most private insurance plans.

## STANDARD PACKAGE

### Standard 3-Year Limited Warranty

(One year warranty for Sieve Bed, POC batteries and accessories)
